## **Region 4 High-Point Jackpot**

The idea of rewarding the folks who support the Region 4 shows led to the creation of the Region 4 Jackpot program. Exhibitors pay a \$25 fee to nominate their horse in each category. At the end of the show year, the money for each category is split among the winners. Note that points count for the horse no matter who rides it. The winner of each category is also eligible to have a picture posted on the Region 4 website. We have also had additional sponsorships, which allow us to add significant money to the pot. You do not need to be a member of a Region 4 club to participate. [For entry forms and complete rules, click here.](#)

**Special note to Rally in the Valley exhibitors: If you will mail your entries to Barb Garcia postmarked by April 5th, your points from this year's Rally show will be counted.**
