

NEWS RELEASE – MAY 18, 2011 – QUALIFICATIONS FROM AHACO CANCELLED SHOW

The AHA Board had a conference call tonight. Although the result will not be final until after an email vote is taken, the straw vote taken at the meeting was 100% in favor of the following motion. There were 20 of the 29 directors present on the call. The following is taken from the conference call minutes:

***MOTION** by Peggy Weems, Second by David Garrett;
I hereby move that in the case where a qualifying show is canceled by the threat of EHV-1, all horses entered in such show be considered qualified in the classes they had entered by the time of cancellation for their respective Regional Championship show classes for the 2011 year only.*

Motion will be sent out via e-mail for a vote within 36 hours from the BOD.

This will mean that whatever classes you had pre-entered at the recently canceled AHACO show can act as qualification for the Region 4 Championship Show.

Respectfully,

Peggy

Peggy Weems, Region 4 director and Region 4 show manager
