

NEWS RELEASE – MAY 18TH – CHAMPIONSHIP SHOW IS NOT CANCELLED

Here's the bottom line: At this point, the Region 4 show is NOT canceled! Entries are due Monday, May 23rd as stated in the [prize list](#). We will hold your checks and not process your credit cards until we know if the EHV-1 situation threatens our show. If you were planning to qualify in the canceled AHACO show, we have a motion before the AHA board to allow you to be qualified if you were entered at the time they canceled. The AHA board is having a conference call tonight to make a decision. I will send another eBlast to inform you of the result.

All deadlines stated in the online Region 4 prize list remain in effect. This will allow us to produce the kind of event you have come to expect.

Respectfully,

Peggy

Peggy Weems, Region 4 director and Region 4 show manager
