AHBAO is extending an invitation to Region 4 members and friends to join them on Monday, November 11th, at the Cascade Grill, Albany, Oregon. For those that want to eat arrive at 6 PM. You may order off of the regular menu. There will be a short business meeting from 6:30 to 7:30.

We have invited a representative from Oregon Horse Country so we may all learn more about their programs. Oregon Horse Country is the only organization that is focusing on strengthening and uniting the Oregon Equine industry. The Oregon Horse Country was launched in January 2012 and has been providing a resource for all things equine. We help equestrian businesses and non profits succeed, and offer funding for equine grants and scholarships.
