

## Thank You Exhibitors!

Thanks so much for joining us at the 2011 Region 4 AHA Championship Show in our second year at the Idaho Horse Park in Nampa, Idaho. We have enjoyed the many positive comments you have given us regarding the wonderful facility and the helpful Idaho Horse Park staff. We are also delighted that you have told the world about this show on the internet, facebook  and in person. In this stressful economy the fact that this show was up 100 entries from last year, shows the result of you spreading the word.

We hope you will do two things for us:

1. Let us know how we can improve the Region 4 Championship show for next year. We do appreciate the emails some of you have already sent with suggestions.
2. Let USEF know all of the great things you have been saying about this show. USEF members who participated in any way are invited to use the link below to cast your vote.☺

Thanks so much,
