

June 17 - 23, 2012

Make your plans to join us for the 2012 Region 4 AHA Championship Show in our third year at the Idaho Horse Park in Nampa, Idaho. June 17 and 18 will be the Pre-Show, where you can earn Region 4 qualifications and/or tune up your horses. Due to the great response, we have expanded the Region 4 Championship Show to five days, June 19 - 23.

Cindy Reid has accepted our invitation to be the show manager. She is excited to continue our focus on having an exciting, exhibitor friendly show. Peggy will be her assistant, and is looking forward to having more time to visit with folks and show her own horses. Mary Jane is continuing as chair of the Show Commission and being responsible for the schedule. Feel free to contact any of us with suggestions or questions.

If you haven't yet voted for your favorite show, please let USEF know all of the great things you have been saying about this show. USEF members who participated in any way are invited to use the link below to cast your vote. Trainers, please encourage your clients to vote.
