

2011 REGION 4 AHA JACKPOT RESULTS

Congratulations to the 2011 Region 4 Jackpot winners. Because of the extra money added, most folks got back more money than they put into the program. Region 4 AHA added \$1000 to the pot, plus two clubs, AHBAO and EVAHC, each added \$100. Major Defoe of the Oregon Horse Center added \$500 to the Main Ring categories. The added money was distributed to the categories based on the number of entries; e.g. Working Western had six entries, so that category had six times the amount added, compared to Misc. Main Ring with one entry. Then the total available is distributed as per the chart on the entry form. We hope everyone will enter again in 2012 and will talk their friends into participating.
