

2012 REGION 4 AHA HIGH POINT JACKPOT WINNERS

Congratulations to the 2012 Region 4 Jackpot winners. Because of the extra money added, most folks got back more money than they put into the program. Region 4 AHA added \$1000 to the pot, plus three clubs, AHBAO, AiM, and EVAHC, each added \$100. Major Defoe of the Oregon Horse Center added \$500 to the Main Ring categories. The AiM club money was distributed to the Sport Horse categories. The added money was distributed to the categories based on the number of entries; e.g. Working Western had six entries, so that category had six times the amount added, compared to Misc. Main Ring with one entry. Then the total available is distributed as per the chart on the entry form. We hope everyone will enter again in 2013 and will talk their friends into participating.
